

## WELCOMING YOU BACK TO FULL SERVICE

Yes! We are beginning the process of reopening to full service. When you arrive for your appointment, you will notice certain protocols in place due to the COVID-19 pandemic. These protocols will remain in place until further notice. However, due to the pandemic protocols in place for safety and the social distancing rules which we follow, **please do your part to help.**

- If you have an in-person appointment to see your healthcare provider, please try to come **on time – not too early and not late.**
- **Please note that if you cannot keep your appointment, it is important that you call us to cancel and reschedule. Please do not just skip your appointment and be a No Show.** We carefully plan the number of patients that we see every day to adhere to our protocols so it is important that you let us know if you cannot keep your appointment.

Your cooperation will assist us in keeping you and our staff safe and healthy.

Thank you very much,
